Zoogles Summer Reading Program

Fill your summer months with the joy of reading. Maybe you're planning a vacation where you'll be driving a lot, perhaps you're going camping, or staying close to home. Take the time to read. You'll find it's exciting to learn new things and you can participate in the Zoogles Summer Reading Program at the same time.

- Read three books during July and August.
- Turn in the journal below, signed by a parent or legal guardian.
- Your journal will be entered into a drawing to win one of two \$50 Borders Gift Cards (one to be given away at each office).

This offer is available to our Zoogles members age 11 and under. Members that are too young to read can have the books read to them by someone else...and that person must sign the form.

The drawing will take place on September 9th and winners will be notified by phone or mail.*

Zoogles Summer Reading Challenge

Journal/Entry Form* All portions must be completed and signed to be eligible for the drawing.
